COLLEZIONE 2021

Ogni momento nella tua casa è speciale.
Un'occasione per sfuggire dalla frenesia della quotidianità, un'opportunità per ritagliarsi istanti di autentica serenità.
Intorno alla tavola, si consuma un quotidiano rituale di piacere, un istante da preparare con passione e cura dei particolari.
Un attimo magico per dedicarsi a se stessi e alle persone che si amano, un'occasione per dare spazio a un'opera creativa, facendo della cura dei dettagli un gioco di luci e colori.
Sarà l'ispirazione individuale a creare uno spazio luminoso, moderno e dinamico di raffinata eleganza e rilassante rapimento.

Every moment in your home is special.
An opportunity to escape from the frenzy of everyday life, an occasion to treat yourself to moments of authentic peace.
Around the dining table, a daily ritual of pleasure takes place, a moment to prepare with passion and attention to detail.
A magical time to focus on yourself and the people you love, an opportunity to make room for creativity, playing with light and colour.
Individual inspiration will be what creates a bright, modern, and dynamic space of refined elegance and relaxing bliss.

Oltremare

Gli elementi più suggestivi della barriera corallina prendono vita nella collezione Andrea Fontebasso Studio e diventano eleganti decori del servizio tavola e della proposta tessile che va dalle tovaglie, agli accessori cucina fino ai cuscini. Conchiglie, pesci e coralli, nei colori rosso e turchese, portano l'atmosfera marina nell'arredo casa e in tavola.

The most evocative elements of the coral reef come to life in the Andrea Fontebasso Studio collection, and become elegant decorations of the tableware and textile offer ranging from tablecloths and kitchen accessories to cushions. Shells, fish, and corals, in red and turquoise, bring the marine atmosphere to the home decor and to the table.

Coco

Il bianco e il nero, una tendenza sempre attuale, interpretata in modo grafico e addolcita in alcuni casi da pattern che ritroviamo dal tessile alla mise en place. Andrea Fontebasso Studio propone una linea dal gusto classico ma con il contrasto cromatico più forte per un risultato complessivo di grande effetto ed eleganza.

Black and white, a timeless trend, interpreted graphically and softened in some cases by patterns repeated everywhere, from the textiles to the mise en place. Andrea Fontebasso Studio offers a line with a classic taste but with the strongest chromatic contrast for an overall impactful and elegant result.

Deep blue

Eleganti tesori marini prendono vita in raffinate mise en place di porcellana e stoneware. Giocando con trasparenze oceaniche, forme tondeggianti, effetti di sabbia e salsedine, Andrea Fontebasso Studio crea una linea di oggetti dal sapore mediterraneo, per decorare con un tocco di blu gli ambienti più ricercati.

Elegant sea treasures come to life in refined porcelain and stoneware mise en place. Playing with oceanic transparencies, rounded shapes, sand and salt effects, Andrea Fontebasso Studio creates a line of objects with a Mediterranean flavour, to decorate the most refined environments with a touch of blue.

Bonjour

Uno stile espressivo che gioca sull'utilizzo del colore, per una proposta Andrea Fontebasso Studio energica e positiva da portare in tavola e in casa. Una linea che sboccia spensierata tra colori, stampe e variopinte combinazioni e si completa in armonia con eleganti oggetti.

An expressive style that plays on the use of colour, for an energetic and positive offer by Andrea Fontebasso Studio to bring to the table and at home. A line that blossoms carefree among colours, prints, and multicoloured combinations, completed harmoniously with elegant objects.
