Ogni momento nella tua casa è speciale.
Un'occasione per sfuggire dalla frenesia
della quotidianità, un'opportunità
per ritagliarsi istanti di autentica serenità.
Intorno alla tavola, si consuma un quotidiano
rituale di piacere, un istante da preparare
con passione e cura dei particolari.
Un attimo magico per dedicarsi
a se stessi e alle persone che si amano,
un'occasione per dare spazio a un'opera
creativa, facendo della cura dei dettagli
un gioco di luci e colori. Sarà l'ispirazione
individuale a creare uno spazio
luminoso, moderno e dinamico di raffinata
eleganza e rilassante rapimento.

*Every moment in your home is special.
An opportunity to escape from the frenzy
of everyday life, an occasion to treat
yourself to moments of authentic peace.
Around the dining table, a daily ritual
of pleasure takes place, a moment to prepare
with passion and attention to detail.
A magical time to focus on yourself and the
people you love, an opportunity to make room
for creativity, playing with light and colour.
Individual inspiration will be what creates
a bright, modern, and dynamic space
of refined elegance and relaxing bliss.*

Per un ambiente natalizio e delle feste ricco e scintillante, l'argento è la scelta preziosa, elegante e raffinata. La proposta Andrea Fontebasso, oltre ai classici oggetti della tradizione, include idee ispirate al mondo ellenico nelle sculture e in una linea piatti coordinata al tessile, articoli con tocchi metallici silver, contaminazioni di azzurri e turchesi, lurex o paillettes nei brillanti runner.

To have a rich and sparkling environment for Christmas and the holidays, silver is the precious, elegant, and refined choice. In Andrea Fontebasso's proposal, in addition to the traditional classics, we find a wide variety of inspirations: the Hellenic world in a table set coordinated with textiles and sculptures, silver metallic touches, blue and turquoise accents, lurex or sequins in the shiny runners.

Il classico Natale rosso diventa moderno e di grande impatto grazie agli accenti bronzo che ritroviamo nei nuovi vasi e nei portacandele e alle innovative ed originali proposte firmate Andrea Fontebasso che completano questa collezione, come la linea bar in metallo color rame, i taglieri girevoli e un'ampia varietà di prodotti tessili anche con pizzi e i nuovi tappeti sottolavello in cotone.

The classic red Christmas becomes modern and impactful thanks to the bronze accents and the new and original proposals by Andrea Fontebasso such as the copper-coloured metal bar line, the rotating cutting boards, and a wide variety of textile products, with lace as well, and the new cotton kitchen rugs.

L'oro è irrinunciabile per portare magia, gioia e allegria ai momenti più sentiti ed emozionanti delle festività natalizie. Oltre alle linee dorate classiche e luminose, Andrea Fontebasso propone idee tavola e arredo originali, come vasi e oggetti in metalli bronzo scuro e oro, elementi con richiami al mondo orientale, tocchi lurex e paillettes per il tessile.

Gold is essential for bringing magic, joy, and happiness to the most heartfelt and exciting moments of the Christmas holidays. In addition to the classic and bright golden lines, Andrea Fontebasso proposes original table and furniture ideas such as vases and objects in dark bronze and gold metals, elements of Oriental inspiration, lurex and sequin touches for the textiles.

L'autunno nei suoi colori più classici veste la tavola e l'arredo Andrea Fontebasso. Dal servizio piatti con la linea tessile coordinata decorata con frutti di stagione, a proposte floreali, funghi e zucche simboli distintivi autunnali, fino alle scelte di elementi materici e colori saturi in armonia con i toni e il mood di questa stagione.

Autumn in its most classic colours decorates the table and furniture with Andrea Fontebasso. From the dinner set with the coordinated textile line with seasonal fruit decoration, to floral proposals, mushrooms and pumpkins as distinctive autumn symbols, to the materiality and saturated colours that characterize the items in the collection inspired by this season.
