We have always had a clear goal – to be by your side for the most important occasions, and also in your small, daily acts, to make each and every moment in your life special. We put a great deal of research and enthusiasm into each new collection – we do not bulk out spaces, but enhance environments, and decorate your daily rituals with a touch of authentic harmony. Tognana, dove l'Arte è di casa

Tognana, where Art is at home

Tutto ha inizio **nel 1775, a Casier in provincia di Treviso**, quando la famiglia Tognana è attiva nel settore dei laterizi e vi affianca la produzione delle ceramiche. La vicinanza di un punto di riferimento culturale come Venezia, contribuisce in modo decisivo allo sviluppo di un marchio che pone sempre in primo piano design ed estetica. Ancora oggi Tognana può vantare le proprie **origini di laboratorio artistico**, trasmettendo passione ed emozione all'interno di una realtà industriale. Il 1946 è l'anno in cui l'azienda passa dalle maioliche alla porcellana, diventando in breve tempo un prestigioso tassello della migliore manifattura italiana. La forza e la crescita del marchio hanno permesso negli anni di estendere il know how in nuove categorie prodotto, in particolare nel segmento cottura, affermando Tognana come realtà dedita all'innovazione tecnologica.

It all began in **Casier, in the province of Treviso, in 1775**, when the Tognana family was in the brick sector and worked alongside ceramics manufacturing. The proximity of Venice as a cultural landmark contributed definitely to the development of a brand that puts design and aesthetics at the forefront. Even today, Tognana is still proud of its **origins as an art workshop**, with its infectious brand of enthusiasm and excitement that finds itself in an industrial organisation. The company transitioned from majolica to porcelain in 1946, becoming an illustrious pillar in the best of Italian manufacturing in just a brief period of time. The brand's strength and growth over the years have allowed it to extend its **know-how into new product categories**, particularly in the cooking sector, establishing Tognana as a company with a firm focus on technological innovation.

Novità: tessile Tognana con fibre riciclate

Accanto alle celebri linee tavola, Tognana presenta la nuova collezione di prodotti tessili per rispondere alle esigenze di un consumatore sempre più esigente e ricercato. Tutta la gamma è realizzata seguendo una filosofia eco-friendly nella scelta della materia prima per la produzione. Molte delle nuove linee tessili sono prodotte infatti con il miglior **cotone riciclato**, ottenuto mediante scarti di lavorazioni, a cui si aggiungono una parte di fibre rinforzanti. Con questo processo di recupero è possibile risparmiare una

grande quantità di acqua e ridurre l'utilizzo di sostanze chimiche durante il ciclo produttivo, con beneficio per l'eco-sostenibilità, garantendo una **qualità del prodotto** eccelsa. Colori testati per non stingere, fitta tessitura e il rispetto delle normative europee, completano le caratteristiche dell'offerta. I decori dai cromatismi e stampe variegati sono pensati per creare **proposte originali e coordinabili ai servizi tavola**. La nuova linea tessile firmata Tognana unisce tradizione e innovazione in un unico, pregiato prodotto.

New: Tognana textile with recycled fibers

Alongside the renowned table lines, Tognana introduces a new collection of textile items to meet the needs of an increasingly demanding and sophisticated consumer. The entire range is created observing an eco-friendly philosophy in the choice of raw materials for manufacturing. Many of the new textile lines are produced with the best **recycled cotton**, which are obtained from processing waste, to which a fraction of reinforcing fibres are added. Using this recycling process, large quantities of water can be saved and the

use of chemical substances during the manufacturing cycle reduced. This hugely benefits eco-sustainability and guarantees **excellent manufacturing quality**. Colours tested to prevent fading, dense weaving and compliance with European standards are also included in our product ranges. The decorations using variegated colours and prints are designed to create **original, coordinated items for table service sets**. The new Tognana textile line combines tradition and innovation in a unique, exquisite product.
